

# Outwood Academy Haydock

Enrichment activities  
Autumn Term 2023/24

# Introduction

**What is Enrichment?** Although formal lessons end at 14:30, the Academy day does not. Students can choose from a fantastic range of academic and non academic after school Enrichment activities and clubs.

All sessions are run by staff volunteers on weekday afternoons, from 14:30 – 15:30. (Excluding Tuesdays due to staff training)

Enrichment is overseen at the academy by Mr Weaver who is always happy to help with any queries ([r.weaver@haydock.outwood.com](mailto:r.weaver@haydock.outwood.com)).

**Why attend Enrichment?** There are two main reasons to attend after-school activities. Firstly, the catch up and revision sessions are a fantastic tool to help accelerate your academic achievement. Whether you missed a lesson, want to improve your depth of knowledge or need help with coursework then these catch up/revision sessions will provide you with the support needed.

Secondly, Enrichment activities allow you to gain experience and skills in areas not typically part of your everyday curriculum. By opting into these new experiences you can enhance personal attributes that are extremely desirable to future employers and further education providers.

**Who can attend?** Everybody! Whichever year group you are in, there are after-academy sessions to choose from. For GCSE students we would recommend that you make the most of the academic enrichment on offer to boost your depth of knowledge.

**What if an enrichment is cancelled?** We always endeavour to offer our full enrichment programme each day; however there may be occasions, due for unforeseen circumstances that an activity may be cancelled. If this is the case students will be informed during tutor time and parents will receive a text message by 11:00 so alternative arrangements for safe travel home can be made.

**What is available?** We are doing our best to provide a rich variety of enrichment activities across the academy and currently have over 45 different activities to get involved with. Whatever your needs or interest there is something for everybody. The selection of activities are organised by day and year group. If there is an enrichment that you would like to take part in that isn't currently offered, please mention your ideas to Mr Weaver.

# Monday - Revision
