

20th January 2022

Dear Parents/ Carers

We have been informed by Merseytravel that from Monday 24th January 2022, the times for the morning 774 School Service will be changed to start at 07:15, arriving at the school for 07:59.

The service will be operated by Huyton Travel.

We have been advised that an updated timetable will be published on the Merseytravel website closer to the time.

We understand that these changes are not ideal, but please be assured we are doing all we can to have them reviewed. Unfortunately these changes have been made without our consultation.

Yours sincerely,

Mr P Abram
Principal
