

Dear Parent/Carer,

Please find below the revision sessions for February half term. We would encourage all students to attend. The mock examinations will take place from February 19th.

Well done to all students who have attended the revision sessions after school this week. All pupils have a prom card to collect staff signatures. Please encourage your child to attend. Currently, half of the year group are benefitting from these sessions. They will be more successful this summer.

Some students continue to be late to school and are missing or disrupting the intervention sessions that take place from 8.20pm. These sessions have been carefully planned to support students to get to the next grade in a key subject. It is important that students arrive at these sessions on time in the correct uniform and with their equipment ready to learn. Please could you support us with this.
