

Dear Parent/Carer,

As you are aware we are currently having extensive building works carried out on the school premises, which has, unfortunately, reduced our parking spaces for both staff and visitors significantly.

We have been made aware by local residents and businesses of inconsiderate and unlawful parking on pavements and at junctions, which are causing hazards to other motorists and pedestrians.

One of our local councillors is currently liaising with the council's parking enforcement team and local PCSO's to regularly attend this area and monitor the parking situation, which could unfortunately result in parking fines being issued.

To enable the safety of all members of the Haydock community, can we please ask you to park in a considerate manner.

Thank you for your continued support,

Yours Sincerely,

Mr P Abram
Principal
